Music & Movement Education: Group Classes for Children

***** A 14 week session: January 7 - April 15, 2013 *****

All Children must have the opportunity to participate in active music making that includes **SINGING (a life skill), **MOVEMENT** (with purpose), and attentive **LISTENING**. Music experienced with family, and other relationships, encourages imaginative and creative communication and has a lifelong impact on a child's development.**

MUSIC FOR BABIES: 3 months to 16 months w/caregiver

Engaging musical games to support joyful interaction with parents; Bounce, rock, claps, tickle & peeks!
 A rich musical environment to support your child's growth. Bonding through music play.

FAMILY MUSIC, mixed ages: 3 mos - 4 years w/caregiver

We sing, chant, dance, listen and play simple instruments!
 Assists memory attention span and confidence w/repetition. Helps stimulates listening and language.
 Offers productive family time through music play.

SEASONS : 3 ½ - 5 yrs (Parents join for last 15 minutes)

Enhances moving, singing and talking skills; Develops musical and verbal vocabulary
 Taps into the child's imaginative abilities.
 Develops listening, focused attention, self-expression; Creative movement & instrument exploration.
 Encourages love of the natural world w/nature, seasonal themes
